COMMITTEES

| | |
|--------------------------|---|
| <input type="checkbox"/> | Climate Change Advisory: <i>Helps guide CMTA policy positions on AB 32 implementation, climate change legislation and CMTA participation in broader industry coalitions such as the AB 32 Industry Implementation Group.</i> |
| <input type="checkbox"/> | Regulatory & Legal: <i>Advocates for California to adopt legal and regulatory systems that encourage investment, promote entrepreneurs, and support manufacturers.</i> |
| <input type="checkbox"/> | Energy: <i>(Available only to manufacturing companies - not our associate members. Additional member fee required) Supports direct access of customers to competitive energy alternatives and cost-of-service based rates for monopoly services.</i> |
| <input type="checkbox"/> | Environmental Quality: <i>Supports cost effective environmental legislation and regulation that protects human health, and that is compliance-oriented, rather than enforcement-oriented.</i> |
| <input type="checkbox"/> | Government Relations: <i>Oversees CMTA's lobbying efforts.</i> |
| <input type="checkbox"/> | Labor & Employment: <i>Works to resolve labor workforce issues - health, meal periods, paid leave, unionization, labor litigation, and other employer mandates - without compromising California's workers or employers' competitiveness. Supports reform of California's costly workers' compensation system.</i> |
| <input type="checkbox"/> | Tax: <i>Works to reduce and eliminate taxes that put California manufacturers at a competitive disadvantage.</i> |
| <input type="checkbox"/> | Technology: <i>Encourages the development of state policies that foster innovation and the development of new markets. Works to have legislators and regulators recognize manufacturers' central role in advancing society.</i> |
