

## Webinar Roundtable

# California PPE for Our Recovery

Tuesday, September 15th, 10:00 – 11:30 AM

CALIFORNIA MANUFACTURERS & TECHNOLOGY ASSOCIATION  
SAFELY MAKING  
—CALIFORNIA—

[www.SafelyMakingCA.org](http://www.SafelyMakingCA.org)

This Roundtable will explore the challenges of making, selling, and procuring non-medical grade PPE in California. It will serve as a key touch-point for information and policies to help the manufacturing community make PPE in California and sell to industry sectors so we can safely re-open our economy with products made in the State. Key Administrative and Legislative officials are attending to listen and understand the challenges.
