MakingCA Conference

SPONSORSHIP OPPORTUNITIES

MakingCA Conference

Join us at one of CMTA's biggest events of the year, celebrating Manufacturing Month with the 2nd Annual MakingCA Conference in October. Designed to showcase manufacturing opportunities in the 21st Century, the conference guarantees influential keynote speakers, fireside chats, and imperative panels to discuss the needs of California's innovators.

The MakingCA Conference fosters relationships between manufacturers of all sizes across California. A Manufacturers Showcase facilitates networking opportunities for industry professionals to connect, exchange ideas, and highlight products to potential investors.

The conference boasts several keynote speakers, industry professional panelists, and an awards ceremony for CMTA's inaugural Coolest Thing Made in California competition.

MORE OPPORTUNITIES

Lunch Sponsor: \$7,000

Your company will have the opportunity to address the crowd for a maximum of five minutes at the beginning of the MakingCA Conference luncheon.

Video Booth Sponsor: \$3,500

Your company's logo will be recognized in all 360 videos taken at the MakingCA Conference. All guests who utilize the interactive video booth will receive a video to share on social media with your logo.

Beverage Station Sponsor: \$3,500

Your company's logo and name will be featured at our beverage station for all attendees. You will have the opportunity to address the crowd during the conference for up to 3 minutes.

Breakfast Sponsor: \$3,000

Your company's logo and name will be recognized and featured as the breakfast sponsor for the event.

Highlight Video Sponsor: \$2,500

We will create a professional highlight video for our MakingCA Conference that will be showcased on all CMTA social media platforms after the event. This video will thank our sponsors, and your logo will be featured at the beginning and end of the video.

The logo for the California Manufacturers & Technology Association (CMTA), featuring a stylized gear and circuitry icon to the left of the acronym "CMTA".

CMTA

A graphic featuring a green outline of the state of California. A black gear is positioned behind the map, with its teeth overlapping the top and right sides of the state's outline. The entire graphic is set against a dark background of a factory floor with sparks flying from a machine.

2024 SPONSORSHIP OPPORTUNITIES

MANUFACTURING POWERS CALIFORNIA

1.31

Million Californians employed in the manufacturing industry.

\$310

Billion contributed to California's annual GDP.

\$89,912

Average manufacturing wage in California.

ABOUT THE CONTEST

CMTA is searching for the second winner of the "Coolest Thing Made in California" contest. The association's second-annual competition aims to recognize the innovation and ingenuity behind the state's 30,000 manufacturing firms leading into National Manufacturing Month.

HOW IT WORKS

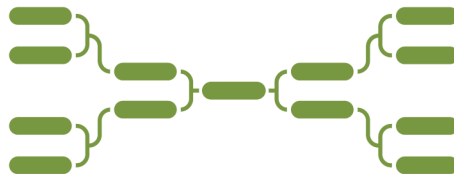

The contest is a bracket-style tournament where the public votes for their favorite California-made product. Once nominations close, the public can vote online to determine the top 16 products. Voting will continue in head-to-head matchups until a winner is selected. The winner will be announced at CMTA's 2nd Annual MakingCA Conference.
