

Manufacturing & Technology

IN SOLANO COUNTY

JOIN TODAY!

To support the manufacturing industry's growth, the California Manufacturers & Technology Association (CMTA) and the Solano Economic Development Corporation have partnered to connect businesses with essential resources. As a member of CMTA, you will also receive a membership to Solano EDC and gain complete benefits from both organizations.

ADVOCACY & INFLUENCE

- Influence and help shape state laws and regulations that affect manufacturers.
- Get connected with local economic development teams to navigate regulatory landscapes, access local and state incentives, and collaborate with local organizations on projects in your region.
- Receive access to state and local elected officials, government agencies, educational institutions, and industry leaders.

MONEY-SAVING PROGRAMS

- Get reimbursed for regular employee training through the Employment Training Panel (ETP).
- Have access to Worker's Compensation discounts, R&D grant support, and more.

MARKETING & ENGAGEMENT SUPPORT

- Receive access to our award-winning communications team to highlight your business and provide input on manufacturing updates through news outlets.
- Engage with local industry leaders and businesses through events and networking opportunities.
- Participate in the Solano EDC Manufacturing Task Force in support of local manufacturing ecosystem.
